

Glenn Barber Technician Sponsorship Program

Glenn Barber was a centerpiece at Brooks Tractor for many years. Glenn was a lot of things for our company; he was a Service Manager, Product Support Specialist, Sales Support Manager, John Deere enthusiast and most importantly a leader and a mentor. He took it upon himself to always make sure new employees felt at home and had a place to go if they had questions that needed answered. For these reasons, and more, we decided to name our Technician Sponsorship program in his honor. Glenn's legacy as a charismatic teacher with a heart of gold will live on through the many students that will follow in his footsteps through this wonderful program.
